

TWINKLE CO

MINI-MOAB DREDGE BLOCK

- Designed for use in the harsh and demanding environment of dredge positioning cables.
- Modular design allows for fast assembly from stock components and facilitates field repair.
- Replaceable cable guides prevent slack cable wedging and protect the block body from cable wear.

10 Ton Rating
12" OD Sheave
3/8" to 3/4" Wire Rope

- Can be used above or below water.
- Top swivel is lubricated and field repairable.
- Approximate weight per block is 115 pounds.
- 2.25" shaft with a recessed grease zerker in each end.
- 12" OD sheave with hardened cable groove for long life.
